**CONCLUSION**.....:The second Baltic Sprint Cup was with 32 entries again a great success. This year the event started in the North Sea, thence Skagerrak, Kattegat and into the Baltic. Very light weather conditions gave it extra spice – also to the organizers. The Baltic Sprint Cup 2005 and 2006 can be regarded as an excellent basis for future regatta series in the Baltic Sea to be established in cooperation between the various countries.
